

Dear Past Students:

We are continuing to build our archive of past student profiles. It delights us to see the diversity of life pathways you are all taking.

As we build this archive we enable current students to recognise the variety of ways we participate in life and the human community post MRSS. Other past students, their families and current families also are greatly interested. Past student profiles also draw a great deal of attention when the school hosts events such as Open Day.

It would be great if you would be willing to complete an Alumni profile for us.

The questionnaire below can be completed and sent to us by return email or via the post. We will send you a copy of our summary of your profile for you to check before posting it on our Alumni section of the MRSS website.

Please include a photo of yourself!

Warmest wishes & I'm looking forward to hearing from you,

Terri McMillan
