Secondary Maths / Information Technology Teaching Position

The Melbourne Rudolf Steiner School, established in 1972 is a small independent school of 500 students from Kindergarten to year 12. We are a co-educational, non-denominational school located in the eastern suburbs of Melbourne.

We are seeking to appoint an inspired, enthusiastic and experienced Maths/IT Teacher (0.8 to 1.0 FTE) for 2022 beginning Term 1. This position is a one year contract.

The role includes:

- Teaching Secondary Maths and Information Technology to years 7- 10 in accordance with the accredited Steiner curriculum
- Completion of all requirements in relation to academic and wellbeing reporting, pastoral care duties and participation in general school duties.
- A willingness to embrace the ethos of Steiner Education is essential, and an understanding of Steiner Education is an advantage.

Secondary Mathematics:

- A sound understanding of all material applicable for teaching secondary maths and a willingness to extend this knowledge through professional learning and collaboration with colleagues.
- Fostering students to think in a wide range of approaches in order to reach logical conclusions and give them confidence in themselves and in their thinking.
- The ability to cultivate a keen sense of creative problem solving to provide a firm foundation for further education.

Information Technology:

- Teaching basic computer skills including typing, using basic software, Graphs and spread sheets, Cyber safety and the use of spreadsheets and word processors.
- Fostering a sound understanding of the computer as a tool with its advantages and disadvantages, as well as the social, cultural and personal influence of computers, while cultivating the qualities of computer literacy, problem solving and the formation of judgement and creativity.

Applicants must have a sound understanding of, and commitment to, current child safety standards and a current VIT registration.

Only people with the right to work in this country may apply for this position. Applications in writing or via email should be sent with a current CV, including the names and contact details of two referees by **5 pm, Wednesday December 8.**
